

Lighting

Intelligent LED Dance Floor Lighting

Create a colorful, energetic dance atmosphere with lighting combos that move to the music and create an array of patterns and effects.

Ambient Up-Lighting / Color-Wash

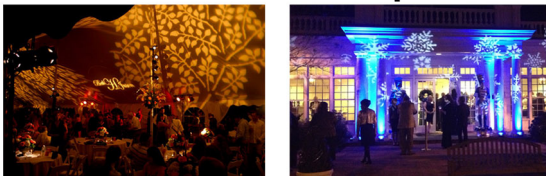

Light up your event space with the color accent of your choice using floor or aerial fixtures to create the perfect ambience.

Custom Monogram Gobos

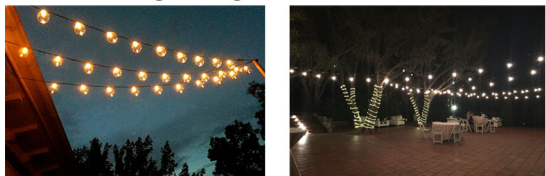

Design a unique monogram gobo using our templates or create your own custom artwork to add a personal touch to your event.

Texture Gobos / Break-Ups

Transform the atmosphere of your event space by adding visually stunning custom patterns and textures with light.

Market Lighting

Provide a warm romantic ambience while adding a convenient solution for practical lighting in any event setting.

Spotlighting

Highlight all of the formal activities and special presentations at your event with eye-catching theatrical spotlights.

Special Effects

Amazing Bubble Experience

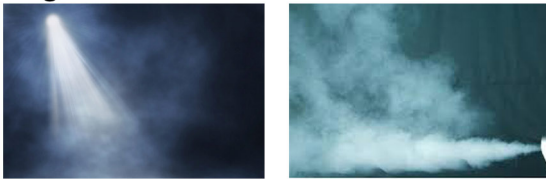

Add a fun and charming flare to your first dance or other special moments with non-slip and environmentally safe bubbles.

Snow Flurry

Transform your event into a glistening winter wonderland with our festive and fun artificial snow effects.

Fog Machines

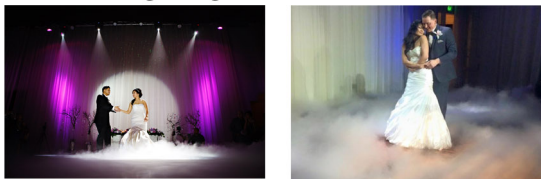

Create an authentic club-style environment at your event with full coverage fog machines that enhance the lighting and atmosphere.

Hazers

Get all of the visual benefits of traditional fog in a more discrete form that will bring out the full potential of your lighting.

Low-Lying Fog

Create the illusion of walking on the clouds during your first dance or add an enchanted mood to any other part of your event.

Glowsticks / Party Favors

Engage your crowd with interactive party favors, including glowsticks, inflatable props, themed costumes and accessories.
